6 Things that I've Learned (or Re-Learned) in 2020. Subscribe: iTunes Sticher SoundCloud. At the start of 2020, many of us had goals we wanted to hit and never thought how it would be the strange year that it is. But today is a valuable time to gain perspective and figure out what we've learned so far and what we're going to do to move ...

These 6 things are just some of the things I learned in a span of a year. However, I still have more things to figure out: Mentorship. I'm still looking for a mentor who can help me learn more on UX/CX design, especially on research. During my job hunt last year, I realized that I'm still lacking on the research side of UX.

While I practice these things, I am not a doormat. There are things that I do not tolerate or accept. There are sacrifices I will not make. There are times when I cannot be patient and humble. There are things that I will fight for. But I have learned to choose my battles wisely. And in doing so, I can be at peace with myself.
