Flora of Turkey and the East Aegean Islands - Google Books

Flora of Turkey and The East Aegean Islands (as known Flora of Turkey), which is composed of 11 volumes and first 9 volumes prepared by P.H. Davis and friends, is main source about flora of Turkey. The “Resimli Türkiye Florası”, which was first volume published in 2014 and planned to have 28 volumes in total, is a self-sacrificing product of Turkish scientists.
