Hay Fever, the first of Coward's plays to gain an enduring place in the mainstream theatrical repertoire, also appeared in 1925. It is a comedy about four egocentric members of an artistic family who casually invite acquaintances to their country house for the weekend and bemuse and enrage each other's guests.

Grieving and lost, Miranda has moved to
Hay to escape, and slowly she feels
herself coming to life in the solitude of
the mountains. But her vivid dreams at
Sleeper's Castle introduce her to Catrin,
a young women whose gift for foretelling
the future embroiled her in a bloody
revolt against English rule - many
centuries ago.
