...

Training in neuropathology. Doctors don't tend to come across diagnostic neuropathology during Core Medical or Surgical Training, but discover it later in their careers - when they're some way through histopathology training or training in neurology or neurosurgery.

Training in neuropathology

The Surgical Pathology Fellowship at Tufts Medical Center offers comprehensive training in diagnostic surgical pathology including in-depth exposure to subspecialty areas of general surgical pathology. The goal of the 1-year surgical pathology fellowship is to prepare the Fellow for advanced practice in surgical pathology.
