Russell is the co-author of the most popular

Stuart J. Russell - Wikipedia

Fantastic and comprehensive book on the different aspects of artificial intelligence (AI). I am attending Stamford cs221 online class (fall 2011) and I am also a member of the team translating the videos from English to French. Peter Norvig is a great teacher. The book and the videos complement each another very well.

Artificial Intelligence: A Modern Approach by Stuart Russell

In view of this, artificial intelligence is

"the investigation of specialists that get percepts from nature and perform activities." (Russel and Norvig viii) Norvig Russell proceeds to investigate four distinct methodologies that have truly characterized the field of Artificial Intelligence:
