Spring At Lavender Bay A

3.5 stars Spring at Lavender Bay is the
first Sarah Bennett's books I read and I
grabbed at the chance to read it as it's
also the first of a new series. Set in a
fictional seaside town of Lavender Bay,
this book is a delightful introduction to
the author's writing and the message
the story bore: never give up and plan
might alter for the best.

Spring at Lavender Bay is a delightful read full of love, life and pursuing your dreams and I'm looking forward to seeing where life will lead Libby and Eliza. One word of warning though, if you're cutting back on the sweet stuff beware, because Sam has mad baking skills and I could murder one of his concoctions right now.
